THE JEWS AND HOLLYWOOD

"Hollywood is run by Jews. It is owned by Jews, and they should have a greater sensitivity about the issue of people who are suffering"
-- Actor Marlon Brando on Larry King Live 04/05/1996

"Four of the largest five entertainment giants are now run or owned by Jews. Murdoch's News Corp (at number four) is the only gentile holdout -- however Rupert is as pro-Israel as any Jew, probably more so."

"Time-Warner, Disney, Viacom-CBS, News Corporation and Universal rule the entertainment world in a way that the old Hollywood studio chiefs only dreamed of. And, after all the deals and buyouts, four of the five are run by Jews. We're back to where we started, bigger than ever."
-- Jewish Week, 9-17-1999, 12.

The American Moment Magazine is subtitled, "The Jewish Magazine for the '90s". Its edition of Aug. 1996 carries the startling headline "Jews Run Hollywood - So What?" The author is the Jew Michael Medved who states:
"It makes no sense at all to try to deny the reality of Jewish power and prominence in popular culture. Any list of the most influential production executives at each of the major movie studios will produce a heavy majority of recognizably Jewish names."

Jewish Control of Hollywood

Hollywood An Empire Of Their Own

"I have never been so upset by a poll in my life. Only 22% of
Americans now believe 'the movie and television industries are pretty much run by Jews'...it just shows how dumb America has gotten. Jews totally run Hollywood"

Los Angeles Times by Joel Stein who then goes on to prove how deeply Jewish Hollywood really is

"As a proud Jew, I want America to know...yes, we control Hollywood."
Joel Stein in the same article

"I don't care if Americans think we're running the news media, Hollywood, Wall Street or the government.

I just care that we get to keep running them."
Joel Stein in the same article

http://articles.latimes.com/2008/dec/19/opinion/oe-stein19

"That's a very dangerous phrase, 'Jews control Hollywood.' What is true is that there are a lot of Jews in Hollywood...instead of 'control'...say that many executives in the industry 'happen to be Jewish' as in 'all eight major film studios are run by men who happen to be Jewish.'"

Abe Foxman, Jewish Chairman of the very Jewish Anti-Defamation League, being quoted by Joel Stein in the same Los Angeles Times article

"Four of the largest five entertainment giants are now run or owned by Jews. Murdoch's News Corp (at number four) is the only gentile holdout -- however Rupert is as pro-Israel as any Jew, probably more so."
Los Angeles Jewish Times, Oct. 29, 1999

Other Sources claim Murdoch's mother, Elisabeth J. Greene, is Jewish. This would make Murdoch Jewish by their laws

"Such as it is, the press has become the greatest power within the Western World, more powerful than the legislature, the executive and judiciary. One would like to ask; by whom has it been elected and to whom is it responsible?"

The book, "An Empire of Their Own: How The Jews Invented Hollywood" was written by the Jew Neal Gabler. It details the Jewish takeover of the film industry.

Moment magazine, founded in 1975 by radical Jew Elie Wiesel and Leonard Fein is a popular American Jewish magazine that publishes articles related to Jewish culture, lifestyle, politics, and religion. In August, 1996 the front cover of the magazine was emblazoned with the words

Jews run hollywood

So what?

The article was written by the well-known Jewish film critic Michael Medved. He said, "It makes no sense at all to try to deny the reality of Jewish power and prominence in popular culture. Any list of the most influential production executives at each of the major movie studios will produce a heavy majority of recognizably Jewish names."

He's proud of the fact that now "the famous Disney organization, which was founded by Walt Disney, a Gentile Midwesterner who allegedly harbored anti-Semitic attitudes, now features Jewish personnel in nearly all its most powerful positions."

In 1998 a documentary was made for the Arts & Entertainment network that boasted of the Jewish role in the media and how it has shaped our society to their purposes. They bragged about how they overcame GENTILE filmmakers such as Thomas Edison and D.W. Griffith and replaced traditional American values with multiracialism and multiculturalism. Jewish author Neil Gabler brags about how the Jews have "DEVoured" the traditional values of Americans.

"They (Jews) created their own America, an America which is not the real America...But ultimately this shadow America becomes so popular and so widely disseminated and its images and its values come to devour the real America. And so the grand irony of all of Hollywood--is that Americans come to define themselves by the shadow of America that was created by the Eastern European Jewish immigrants who weren't permitted in the precincts of the real America."

How Jewish is Hollywood?

A poll finds more Americans disagree with the statement that 'Jews control Hollywood.'
But here's one Jew who doesn't.
Joel Stein, Columnist for the Los Angeles Times and Time magazine contributor

December 19, 2008, Los Angeles Times

I have never been so upset by a poll in my life. Only 22% of Americans now believe “the movie and television industries are pretty much run by Jews,” down from nearly 50% in 1964. The Anti-Defamation League, which released the poll results last month, sees in these numbers a victory against stereotyping. Actually, it just shows how dumb America has gotten. Jews totally run Hollywood.

How deeply Jewish is Hollywood? When the studio chiefs took out a full-page ad in the Los Angeles Times a few weeks ago to demand that the Screen Actors Guild settle its contract, the open letter was signed by: News Corp. President Peter Chernin (Jewish), Paramount Pictures Chairman Brad Grey (Jewish), Walt Disney Co. Chief Executive Robert Iger (Jewish), Sony Pictures Chairman Michael Lynton (surprise, Dutch Jew), Warner Bros. Chairman Barry Meyer (Jewish), CBS Corp. Chief Executive Leslie Moonves (so Jewish his great uncle was the first prime minister of Israel), MGM Chairman Harry Sloan (Jewish) and NBC Universal Chief Executive Jeff Zucker (mega-Jewish). If either of the Weinstein brothers had signed, this group would have not only the power to shut down all film production but to form a minyan with enough Fiji water on hand to fill a mikvah.

The Jews are so dominant I had to scour the trades to come up with six Gentiles in high positions at entertainment companies. But lo and behold, even one of that six, AMC President Charles Collier, turned out to be a Jew! As a proud Jew, I want America to know of our accomplishment. YES, WE CONTROL HOLLYWOOD.

TIME WARNER - The largest media conglomerate today is Time Warner (at one time called AOL-Time Warner). Warner was founded by the JEWISH Warner brothers in the early 1900s. When they merged with AOL and CNN Steve Case (Gentile) became chairman and Gerald Levin, JEW, became CEO. Ted Turner, who built the mega CNN network, (Gentile) was allowed to remain as Vice Chairman. LEVIN MISMANAGED THE COMPANY AND TURNER LOST 7 BILLION DOLLARS. Case resigned, Levin was forced out, and a BLACK man was hired to head the company. But make no mistake, there are JEWS behind the scenes. Jodi Kahn and Meg Siesfeld, JEWS, lead Time Inc under Ned Desmond (Gentile). They report to Times editor-in-chief Norman Pearlstine, JEWISH. Time Warner's subsidiary is HBO and is the nation's largest pay-TV cable network. Cinemax is also under their umbrella.

Time Warner’s publishing division is managed by Norman Pearlstine, JEWISH. The magazines he controls include Time, Life, Sports Illustrated and People.

Warner Music was America’s largest record company until it was purchased in May of 1998 by the
JEWHILLIONAIRE Edgargronfman Jr. They promote "gangsta rap." They also own Shoutcast and Winamp, the very tools that most independent Internet radio broadcasters rely on. They're a dominant player in the Recording Industry Association of America and helped set rules that strongly favored large content providers and forced many small broadcasters into silence.

DISNEY - Poor Walt, the family friendly company he founded is no more. The second-largest media conglomerate today, the Walt Disney Company, is run by a JEW, Michael Eisner. The Disney empire includes Walt Disney Television, Touchstone Television, Buena Vista Television, Walt Disney Pictures, Touchstone Pictures, Hollywood Pictures, Caravan Pictures, and Miramax Films (run by the JEWISH Weinstein brothers). Now that the Jews have Disney, piles of caustic "adult" material pours out of the once family friendly Disney studios. In August of 1995, Eisner acquired Capital Cities/ABC, Inc and now owns the ABC television network. This gives the Jews control of ten TV stations in places such as New York, Chicago, Philadelphia, Los Angeles, San Francisco, and Houston. There are also 225 affiliated TV stations, over 2,900 affiliated radio stations plus a host of other affiliates. And of course, being Disney, Radio Disney, part of the ABC Radio Network, TARGETS CHILDREN. Control their minds while their young...

ESPN, the sports network which is under ABC, is headed by George W. Bodenheimer, a JEW. Disney also control the Disney Channel, Toon Disney, A&E, Lifetime Television, SOAPnet and the History Channel.

ABC/Disney owns the Walt Disney Company Book Publishing, Hyperion Books and Miramax Books. It has six daily newspapers and 20 magazines. Online Disney runs Buena Vista Internet Group, ABC Internet Group, ABC.com, ABCNEWS.com, Disney.com and a bunch of others.

VIACOM - The third-largest media conglomerate is headed by Sumner Redstone. Not a jewish name but he was born Murray Rothstein and he is indeed JEWISH. His number two man was the JEW Melvin A. Karmazin until 2004 and he was replaced by another JEW, Leslie Moonves and a man named Tom Freston, a possible Jew (identity still being confirmed.) Viacom makes TV programs, owns 39 television stations, has 200 affiliates in the CBS Television Network, owns 185 radio stations and has over 1,500 affiliated stations through the CBS Radio Network. It produces feature films through Paramount Pictures, headed by the JEW Sherry Heimann Lansing.

Viacom owns MTV, big purveyor of smut, the Country Music Television and the Nashville Network cable channels and is the largest outdoor advertising entity in the U.S.

They own Blockbuster Video, Showtime, MTV, Nickelodeon, Black Entertainment Television and other networks.

NBC UNIVERSAL - The JEWISH media mogul Edgar Bronfman, Jr., headed Seagram Company, the liquor giant until it merged with Vivendi. His father is president of the World Jewish Congress. SEAGRAM owned Universal Studios and purchased Interscope Records, the foremost promoter of "gangsta rap." from Warner. In June 2000 the Bronfman family traded Seagram to Vivendi for stock and Edgar, Jr. became vice chairman of Vivendi. The Gentile Chairman of Vivendi was later forced to resign by Bronfman in 2002.
In 2002 he acquired bisexual JEW Barry Diller's USA Network which owns Expedia, Ticketmaster, The Home Shopping Network, Lending Tree, Hotels.com, CitySearch, Evite, match.com and other Internet businesses.

In May of 2004 Universal and Interscope merged with NBC and the company is now called NBC Universal.

The current chairman of NBC Universal is a Gentile often associated with Jewish causes (Bob Wright.) Ron Meyer, JEW, is president and chief operating officer of Universal Studios. Stacey Snider, JEW, is chairman of Universal Pictures. Jeff Zucker, JEW, is president of NBC Universal Television Group.

Bronfman struck out on his own and purchased Warner Music.

Fact:

Two of the top four media conglomerates are in the hands of Jews

The other two were owned by Jews and have Jewish executives filling a large portion of jobs

RUPERT MURDOCH'S NEWS CORPORATION - Rupert Murdoch's News Corporation owns Fox Television Network, Fox News, the FX Channel, 20th Century Fox Films Fox 2000 and Harper Collins publishing. Is Rupert Murdoch JEWISH? Historian David Irving has published information from a claimed high-level media source who says that Murdoch's mother, Elisabeth Joy Greene, was JEWISH. This is not confirmed. But it is a well known FACT that Murdoch has VIGOROUSLY supported ZIONISM and other Jewish causes throughout his life. The Fox News Channel has been a key outlet in pushing the JEWISH NEOCONSERVATIVE AGENDA which is responsible for the Iraq War, multiculturalism, multiracialism and Zionism.

Murdoch's number two executive is Peter Chernin, JEWISH. Other key positions held by JEWS are Gail Berman who runs Fox Entertainment Group; Mitchell Stern, head of satellite television division (DirecTV); Jane Friedman, chairman and CEO of Harper Collins; and Thomas Rothman, chairman of Fox Filmed Entertainment.

Murdoch’s News Corporation also owns the New York Post and TV Guide. The Weekly Standard is edited by William Kristol, JEWISH neocon.

OTHER MEDIA COMPANIES:

SPYGLASS - An "independent" film producer, founded by JEWS Gary Barber and Roger Birnbaum who are the co-chairmen. JEWS Jonathan Glickman and Paul Nienstein run the company. Spyglass makes movies exclusively for DreamWorks SKG.

DREAMWORKS SKG - formed in 1994 by JEWS David Geffen, Jeffrey katzenberg and Steven Spielberg.

COLUMBIA PICTURES - Owned by the Japanese multinational firm Sony. BUT the studio's chairman is JEW Amy Pascal. The music division, Sony BMG Music Entertainment is headed by CEO ANdrew Lack, JEW and the JEW Howard Stringer.
The above companies accounted for

94%

Of total box-office receipts for the year 2003

TELEVISION. The big three used to be ABC, CBS, and NBC. But they are no longer independent with all the consolidation that has gone on. When they were independent, each was controlled by a Jew since their inception.

ABC - Leonard Goldenson

NBC - David Sarnoff and then his son, Robert Sarnoff

CBS - William Paley and then Laurence Tisch

Their top staff was Jewish and the Jewishness of network television has not changed. Of course, Dan Rather, Tom Brokaw, Peter Jennings were not Jewish. But they were simply the face of the news, not the force behind the news. Today it’s Brian Williams, Catie Couric and Diane Sawyer.

For Instance:

President of NBC News is Neal Shapiro

President of NBC Universal Television Group is Jeff Zucker

President of NBC Cable is David M. Zaslav

President of MSNBC is Rick Kaplan

All Jews

If you look at the news room of ABC and CBS you’ll find the same Jewish names and faces, telling you what to think and believe.

PRINT MEDIA. In 1945, four out of five American newspapers were independently owned and published by local people who had ties to their community. Not so today. By the mid 1970 most independent papers had been driven out of business. Today, your "local" news is fed to you by the AP wires and a small number of large companies controlled by a handful of people. Less than 20% of today’s papers are independently owned, the rest belong to chains.

The Associated Press sells content to newspapers and is under control of the JEWS Jonathan Wolman and Michael Silverman. The national news editor is a JEW, Ann Levin.

Where did the competition go in the newspaper business? There used to be two newspapers in most cities. Some had more than two. The JEWISH family named Newhouse, founded by the late Samuel Newhouse, an immigrant from Russia, drove them out of business with their holding company, Advance Publications. They’ll buy one of the competing newspapers and then start an advertising war. Eventually
one paper is out of business. Advance Publications then comes in and BUYS THE OTHER PAPER OUT! They've managed to control 31 newspaper markets in this manner. They also own the Sunday supplement Parade and some major magazines, including The New Yorker, Vogue, Wired, Glamour, Vanity Fair, Bride's, Gentlemen's Quarterly, Self, and House & Garden. Most of the head of these magazines are JEWISH.

The NEW YORK TIMES has a circulation of over one million and was founded in 1851 by two Gentiles. In 1896 it was purchased by a wealthy JEW and JEWS own and operate it to this day.

The WALL STREET JOURNAL has a circulation of almost two million copies each weekday and is owned by Dow Jones & Company, Inc. Their chairman? A JEW.

The WASHINGTON POST was also founded by a Gentile but was purchased by a JEW during the depression. It continues to be JEW run.

Other papers that are JEW owned and operated are the New York Daily News, The New York Post, and the Boston Globe.
